THE HAGUE CONVENTION ON  
INTERNATIONAL ADOPTION

Ms. LANDRIEU. Mr. President, I make note tonight of a very significant event which occurred today in the Capitol. We were able to pass legislation from the Foreign Relations Committee, under the leadership of the chairman of that committee, Chairman JESSE HELMS, The Hague Convention on International Adoption.

The reason I mention it particularly tonight is that we will be taking up this implementation legislation when we return—hopefully, soon after we return. Then we will be considering a very important treaty under the same title.

There are many hundreds of leaders in Washington today from the Joint Council on International Children's Services and with the National Council for Adoption who have worked literally for years to bring us to this point.
